**CERTIFICATION:**

The undersigned individual represents the above-named Business for the contractor license and has the express authority to bind the company by this application. The undersigned further agrees to abide by the ordinances and regulations adopted by the Town of La Veta concerning any construction work performed by the Business within the Town limits.

I hereby certify that the statements herein (and any documentation attached) are true and correct, and agree that falsification of same will be grounds for revocation of the license, and forfeiture of fees for same. I also understand that such statements and documentation are subject to a ten (10) day minimum investigation period before a contractor license may be issued, and I agree not to undertake any work within the Town limits until such license is granted. I further understand that once a license is granted, work requiring a building permit may not be performed until such permit application is approved and issued by the Town of La Veta Building Inspector. If my insurance policy required by the Town of La Veta (as defined on page 3) should become cancelled during the license term, I shall forfeit my license and license fee.
