SPECIFY USES OF TAP: \_\_\_\_\_

*(example: residential, restaurant, retail store, gas station, laundromat, theatre, financial institution, library, museum, car wash, personal service establishment, professional or business offices & studios, indoor recreation facilities, grocery store)*

I, or we, understand this application will be presented to the La Veta Town Board of Trustees for approval and that no construction can begin until the Board has approved this application. I, or we, further understand that if this application is approved all fees must be paid within thirty (30) days from the date of approval. If fees are not paid, this application becomes null and void.

I, or we, understand that if connection is not made within three hundred and sixty five (365) days from the date of issuance of permit (approval), the permit shall expire and become void and the fees paid shall be forfeited and nonrefundable and cannot be applied to subsequent applications for water and sewer service. (LVMC 13.04.110)

I, or we, understand that according to LVMC 13.04.004 (D) any tap requiring extraordinary expense for installation shall be an additional fee for the actual expense incurred by the town for installing the tap.

I, we, understand that according to LVMC 13.04.004 (E), Denial of Application, the town reserves the exclusive right to deny application for service when, in the opinion of the board, the service applied for would create an excessive demand on the facilities and/or financial burden to the town. Denial may also be based upon an unresolved obligation between the town and the applicant, inadequate documentation of easements for main lines serving the property, or any other reason as determined by the board.
